Product portfolio

A starting point for food, agricultural commodity and feed-ingredient enquiries.

Rice

Basmati and non-basmati rice. Discuss variety, processing, broken percentage and packing.

Sugar

ICUMSA 45, S30 and M30 enquiries. State the grade, quantity and packing required.

Edible oils & spices

Sunflower oil, soybean oil and spice enquiries. Include the intended application and pack format.

Fresh produce, grains & pulses

Onion, corn, wheat, soybean and kidney bean enquiries.

Feed & other categories

Soybean meal, fish meal and poultry-product enquiries. Destination and documentation requirements need specific review.

This guide is not a quotation or confirmation of stock, certification or supply. Availability, specification and commercial terms are agreed for each proposed order.
